THANK YOU

WOODS - We, the family of the late Dorothy Woods, wish to express our sincere appreciation for the many acts of kindness, stories, hugs, messages of sympathy, food, flowers, cards, donations, prayers and visits to the hospital & funeral home during our recent loss. Thanks to the knowledgeable and compassionate staff of the Davey-Linklater Funeral Home for their guidance; to Rev. Rob Hiscox for the beautiful service and for his heartfelt words of peace and comfort; to Sonya Watson, Cory Woods and Kent Woods for their memorable and treasured eulogies of Grandma; to John Farrell for his meaningful contribution - playing the bagpipes that Mom dearly loved; and to the Kingarf ACW ladies for preparing a wonderful and bountiful lunch.

We would especially like to thank everyone who joined us, to share memories and fellowship following the service. Your presence was certainly a wonderful tribute to Mom and a treasured gift to our family.

We gratefully acknowledge and thank Dr. Murray; the ambulance attendants and the nursing team at the Kincardine hospital for their excellent and attentive care of our mother and their thoughtfulness to our family. Lastly, we are deeply appreciative of the caring and supportive LHIN and RVilla staff.

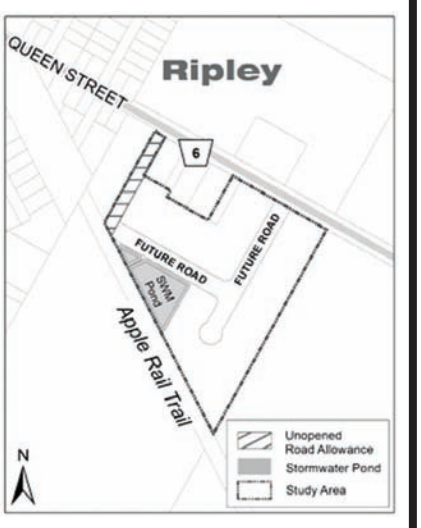
DATED at the Township of Huron-Kinloss, this 18th day of November, 2019

TOWNSHIP OF HURON-KINLOSS MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT FOR SERVICING OF THE RIPLEY INDUSTRIAL PARK

NOTICE OF COMPLETION

THE PROJECT: The Township of Huron-Kinloss conducted a Municipal Class Environmental Assessment (Class EA) to investigate strategies to provide water, wastewater, transportation and stormwater services to the Ripley Industrial Park. The Industrial Park is located at the eastern edge of the village of Ripley, between Queen Street (Bruce Road 6/Concession 8) and the Apple Rail Trail (former railroad). From the evaluation, it was determined **the preferred servicing strategy for the Industrial Park is the installation of full municipal servicing, including watermains and sanitary sewers, within the proposed road network extending throughout the Industrial Park**. Stormwater will be conveyed in roadside ditches to a stormwater management pond located in the eastern corner of the Industrial Park.



THE ENVIRONMENTAL ASSESSMENT PROCESS: This project, was subject to the Class EA process, and as such, followed the planning process established for Schedule B activities. The purpose of the Class EA process is to identify a preferred solution, identify potential environmental impacts associated with the proposal and to plan for appropriate mitigation of those impacts. The process includes consultation with the public, stakeholders and government review agencies. The environmental assessment process has now been completed. There were no negative impacts identified with the project that could not be mitigated.

PUBLIC INVOLVEMENT: The Environmental Screening Report is now available for public review and comment. The Report will be available for public review at the Huron-Kinloss Municipal Office (21 Queen Street, Ripley) and on the municipal website (www.huronkinloss.ca). For further information on this project or to submit comments, please contact B. M. Ross and Associates Limited, 62 North Street, Goderich ON, N7A 2T4, attention: Lisa Courtney, Planner, lcourtney@bmross.net. Comments must be received by Friday December 20, 2019.

If concerns regarding the project cannot be resolved through discussions with the Township, a person may request a Part II Order under the EA Act. As of July 1, 2018, a Part II Order Request Form must be used to request a Part II Order in accordance with O. Reg. 152/18. The Part II Order Request Form is available online on the Forms Repository website (http://www.forms.ssb.gov.on.ca/) by searching "Part II Order" or "012-2206E" (the form ID number). To make such a request, a Part II Order Request form must be submitted within 30 calendar days of this notice and sent to 1) the Municipality; 2) Minister, Ministry of the Environment, Conservation and Parks, Floor 11, 77 Wellesley St. W, Toronto ON M7A 2T5 Fax: (416) 314-8452; Minister.MECP@ontario.ca and 3) Director, Environmental Assessment and Permissions Branch, Ministry of Environment, Conservation and Parks, 135 St. Clair Ave West, 1st Floor, Toronto ON M4V 1P5 enviropermissions@ontario.ca. If no such request is received by Friday December 20, 2019, the project will proceed to implementation as planned at the discretion of the Township.
