THANK YOU

To our family, friends, neighbours and the Kincardine community

As many of you know, we recently lost our hog barn to a massive fire. We are very thankful that our family is safe, which is absolutely the most important part of this whole experience.

First of all we would like to express our deepest gratitude to our neighbour Stan Janzen for seeing the fire on October 21st, calling 911 then calling us. If it was not for his quick response both barns may have been a complete loss.

Thank you to South Bruce OPP, Kincardine, Ripley, Tiverton and Teeswater Fire Departments and the Kincardine Emergency Medical Services, we cannot thank you enough for your efforts to contain the fire limiting the fire to damaging only one barn and not both.

We would like to thank the ongoing support from organizations and companies that have been involved with the cleanup of the aftermath of fire; Omagra, Synergy, Ontario Pork, and the Insurance Companies.

The compassion and generosity that has been shown to us started while the fire was still burning and continues each day. It has been overwhelming. Friends have helped with the care of the children, brought meals, gift cards and gift baskets. Thank you to everyone who took time out of their very busy lives just to reach out to see how the family was doing and offering their help and sending their prayers.

We certainly have a long road ahead, but it is so comforting to know that we are not alone. We are eternally grateful for everything the community has done for us. We are truly humbled by it all.

We will never forget the incredible support you have all given us. From the bottom of our hearts, thank you.

Municipality of Kincardine Official Plan Update

4:00 p.m. to 7:00 p.m., November 20, 2019

Presentation of Official Plan Updates at 4:30 p.m.

Municipal Administration Centre, 1475 Concession 5, Kincardine, ON

The Official Plan for the Municipality of Kincardine establishes guidance for future land use planning and development in the Municipality. Using both text and maps, the Official Plan identifies areas for future growth, areas to be protected from development and the location and classification of current and future roads. The Official Plan also describes the policies and procedures to be followed when planning the development of land and provision of municipal services.

The existing Kincardine Official Plan was adopted by the Municipality in 2006, approved by Bruce County in 2007, and approved by the Ontario Municipal Board in 2009. Given the time since adoption and approval, the Municipality has initiated the current update process.

A public Open House is planned in order to provide members of the public with an opportunity to review work conducted to date on the project, specifically the recently released draft Official Plan. Display boards will be available for review depicting the revised mapping, and members of the project team and Municipal staff will be on-hand to discuss the work and answer questions.

Community members are invited to attend the open house to review materials and speak to the project team. Comment sheets will also be available at the meeting and made available online, in order to help community members provide input.

The draft Official Plan will be finalized following input obtained as a result of the Open House, as well as additional consultation with review agencies. We anticipate the final revised Official Plan will be brought forward to Council for consideration in the New Year.

Written submissions will be received until December 13, 2019.

Submissions should be directed to:

Michele Barr, M.A.A.T.O, CBO
Director of Building and Planning
Municipality of Kincardine mbarr@kincardine.ca

Additional information about the Official Plan Update can be found on the Municipality of Kincardine website at: www.kincardine.ca.
