Signs of spring

The warm weather break in early April is waking up flowers in gardens everywhere. Flowers are popping their colourful petals out of the ground and are a sure sign that spring is right around the corner. (Tammy Schneider photo)

WE DON'T BREW OUR BEER FOR THE AWARDS.

BUT HE DOES!

Our brewmaster, Andrew Kohlen, threw away a successful career in logistics to pursue his dream of reconnecting with the brewing roots of his family. This carried him to the UK's prestigious Brewlab in Sunderland, England, where he procured the alchemy that would drive his signature brewing style.

He took what he could from there and ventured to Scotland, Cornwall, and ultimately to Krefeld, Germany, working in the same brewery that had belonged to his ancestors. He came home to Canada for Hockley.

You could call it dumb, but we call it destiny.
